TCS Family,

Trinity Christian School has a wide variety of shirts, sweatshirts, bags, and other items available. These items are great for showing school spirit and many are highly customizable. The following pages are order forms for three different types of items.

- On page 2 is an order form for **TCS screen-print t-shirts**. These shirts have the design printed on them in ink; no sewing of the design is involved. These are the least customizable shirts, though we do have three designs from which to choose and a number of colors available in both short and long sleeve t-shirts. See page 4 for a list of the t-shirt colors available.
- On pages 3 – 5 are descriptions of HIGHLY customizable **appliquéd t-shirts and sweatshirts**. These shirts have the letters TCS sewn on them in a variety of fabrics with a variety of thread colors on a variety of t-shirt colors.
- On pages 6- 7 are descriptions of HIGHLY customizable **embroidered sweatshirts, polo shirts, gear bags and other items**. For these items, you can choose from multiple Trinity Christian Lion designs and logos and also add your name to your sweatshirt or bag.

Shirt orders should be printed and returned to TCS office with payment, checks payable to TCS. **All orders are due September 28, 2010.**

Please contact me if you have any questions about any items on this order form.

Sincerely,
Marlynn Griffin

Screen Print T-Shirt Order Form

Choose from three designs on long or short sleeve t-shirts. All screen print shirts are \$16.

1. Polka Dot TCS

- This design will appear on the front of the shirt and will look good on most any color shirt, including navy. A white border will be added to the letters on navy and other dark shirts.

2. Back Design TCS with Lion Head on Front Left of shirt

- This design will look best on grey, navy, white, or vegas gold. The gold in the design just doesn't look good on many other colors, though it can be ordered in any color indicated on page 4 of this form.

The blue in the back design will be navy, as in the front lion design. Shirt color will show through middle of circular design.

3. Classic Back Design Claw Lion (below) with Lion Head on Front Left of shirt

- This design will look best on grey, navy, white, or vegas gold. The gold in the design just doesn't look good on many other colors, though it can be ordered in any color indicated on page 4 of this form.
